

*Nadcap® recognizes James White Engineering Group Ltd for its commitment to continual improvement in aerospace quality*

**James White Engineering Group Ltd** announces that it has received Nadcap® accreditation for **Welding** .

“We are delighted to receive this accreditation and pay tribute to the JWE team that worked extremely hard over the last 12 months to achieve it”

**James White Engineering Group Ltd** received Nadcap® accreditation for demonstrating their ongoing commitment to quality by satisfying customer requirements and industry specifications.

“Nadcap® accreditation is universally acknowledged as a significant undertaking. Validating compliance to industry standards, best practices and customer requirements, Nadcap® has long been incorporated by the aerospace industry into their risk mitigation activity. Congratulations are therefore due to **James White Engineering Group Ltd** as their hard work has resulted in achieving Nadcap® accreditation for **Welding** ,” commented Michael J. Hayward, Executive Vice President and Chief Operating Officer at the Performance Review Institute®.
